SOUTHWESTSOLUTIONSGROUP

Education Storage Solutions

With a growing number of students, shrinking budgets, and rising real estate and construction costs, K-12 schools and universities never seem to have enough space. We have flexible and space efficient storage systems, cabinets, lockers, shelving, casework, and more to help you organize and manage textbooks, supplies, and other mixed media for your students.

High Density Shelving

The most space efficient storage system available. This storage system will give you the greatest storage capacity in the least amount of floor space.

Lab Casework

Casework cabinets provide a modular alternative to built-in millwork that allows enhanced flexibility and adaptability in school and university laboratories. Available in laminate, metal, and stainless steel.

Off-Site Book Depository

Perfect for off-site book depositories, high bay shelving allows you to use every available inch of vertical space. Automated high bay shelves improve ease of access and save a significant amount of floor space.

Library Book Shelving

This book shelving is flexible. Adding & adjusting shelf openings is a snap. Reconfiguring a row is easy and you don't need extra parts.

Artwork Storage

Sliding art racks safely store and protect hanging and framed paintings off the floor while maximizing storage capacity. Multiple mounting options are available.

Smart Package Lockers

Smart lockers ensure secure and convenient parcel delivery and retrieval. Users are alerted upon drop-off and there's no need for physical keys.

SOUTHWESTSOLUTIONSGROUP

Education Storage Solutions

Instrument Storage

Instrument storage cabinets and lockers securely store instruments, sheet music, and supplies in less space for various music venues.

Library Furniture

Flexible, customizable library furniture creates collaboration and focus areas with a variety of chairs, desks, workspaces, and couches for public or university libraries.

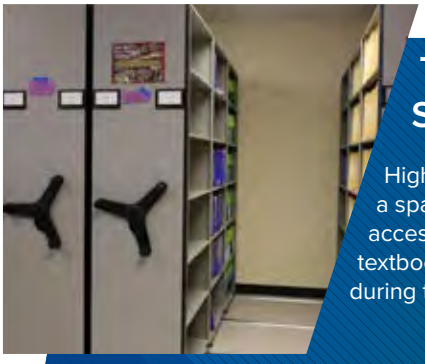

Equipment Storage

Store hanging jerseys, shoes, pads, hats, helmets, face-guards and more in half the space or double your storage capacity in the same floorspace!

Mailroom Furniture

This flexible sorting furniture is perfect for processing mail and other documents. Choose from a wide variety of sorters and consoles to meet your changing needs.

Textbook Storage

High density shelving provides a space-saving and easily accessible solution for storing textbooks and other supplies during the school year.
