SOUTHWESTSOLUTIONSGROUP

Healthcare Storage Solutions

We offer healthcare solutions to maximize space and enhance productivity, ergonomics, and safety with automated storage, HIPPA-compliant records management, and modular cabinets. We guide you through planning, design, and installation, backed by multiple GPO contracts.

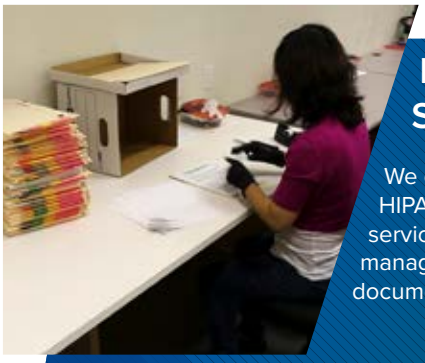

Stainless Modular Casework

Stainless modular casework upper and lower cabinets help organize materials and control the spread of germs, bacteria, and viruses in healthcare facilities.

Sterile Surgical Supply Storage

These adjustable racks offer an ergonomic and sanitary solution for storing sterile packs in your sterilization area to prevent contamination and improve patient safety.

HIPAA Compliant Scanning

We offer onsite and offsite HIPAA compliant scanning services, information management consulting, and document indexing services.

Hospital Stackers

Hospital stackers stack up to 5 levels of beds, cribs, stretchers, case carts, medical crash carts, or anything on 1000lb per level platform lift.

Pharmacy & Lab Storage

Flexible pharmacy and lab storage shelving improves the workflow of medical products and can be easily adapted to your changing needs.

High Density Storage

High-density shelving doubles storage capacity or halves storage space, accommodating all item sizes while improving inventory control, security, and efficiency.

Healthcare Storage Solutions

Built-In Wall Cabinets

Built-in casework cabinets allow for easy and sterile storage anywhere in your hospital. Cabinets store all types of items such as catheters, sterile scopes, and surgical supplies.

Pharmacy Casework

Pharmacy casework enhances picking accuracy and productivity with tilted shelves and drawers designed specifically for storing medications.

Pathology Storage

Automated pathology storage machines bring paraffin blocks, tissue samples, and histology slides to an ergonomic waist high level to maximize picking efficiency and storage space.

Fold Down Wall Seating

Fold-down wall chairs provide comfortable temporary seating that uses less space in patient rooms, waiting rooms, reception areas, and more.

Wire Storage Products

We provide wire storage solutions to keep your medical facility organized, hygienic, efficient, and supplies accessible at the point of use.
