SOUTHWESTSOLUTIONSGROUP

Modular Casework

Casework cabinets are an eco-friendly alternative to built-in millwork and are easy to reconfigure or relocate at any time. We have a wide variety of casework types for storing anything you need, including base cabinets, wall cabinets and shelving, workstations, and more.

Wall Shelving

Modular wall shelving is easily relocated and customized to your exact needs for storing mail, books, boxes, records, and more.

Stainless Casework

Stainless modular casework upper and lower cabinets help organize materials and control the spread of germs, bacteria, and viruses in healthcare facilities.

Lab Furniture

Design your lab with stainless steel or anti-microbial finishes to maintain your integrity. Modular casework allows you to move and modify lab furniture on demand.

Pharmacy Casework

Pharmacy casework can be reconfigured and relocated at any time as your needs change and are available with multiple sorting options for medication and pharmaceutical supplies.

Mailroom Furniture

Organize your mailroom with modular mail sorters. Unlike built-in casework, modular sorters are reusable and reconfigurable with a variety of adjustable options.

Powder Coat Steel

Casework with powder coat steel finishes are durable, antimicrobial, and easy to clean for long-term storage that can be reconfigured or relocated at any time.

SOUTHWESTSOLUTIONSGROUP

Modular Casework

Nurses Stations

Custom design your nurses station based on your specific needs. Durable, modular components provide easy access for cable management.
